

PTO VOLUNTEER OPPORTUNITIES

The Clover Ridge Elementary Parent Teacher Organization (PTO) is an active volunteer organization that enhances the education of all students through fundraising, supporting teachers & staff and planning fun school events. We are always looking for parents who wish to work together to enrich the elementary school experience for the students of Clover Ridge Elementary.

Through the efforts of parent volunteers over the last few years, the PTO has been able to fundraise for playground equipment, audio equipment for the gymnasium, furniture for the clusters & classrooms that support personalized learning and technology for primary grades. The PTO also plans, funds and executes special events such as the School Carnival, Special Persons Day and the Ice Cream Social. In addition, PTO has subsidized field trips, including paying the entire cost of the 5th grade Kindness Retreat. These are just a few examples of how the PTO is working to ensure that Clover Ridge Elementary continues to be a premier grade school in Minnesota!

None of the above happens without parent volunteers. Please take a moment to complete the form below and let us know how you would like to help support our school.
